

How to submit a request for interpretation to ASME

How to submit a request for interpretation to ASME regarding their standards.

Online version: <https://nextgen.sant-ambrogio.it/KB640045>

Latest update: 27 set 2021

ASME provides a procedure for the request for interpretations regarding the standards and codes that they publish.

The procedure is available at the following website:

<https://cstools.asme.org/Interpretation/InterpretationForm.cfm>
